Accessibility Policy

(Accessibility for Ontarians with Disabilities Act, 2005 – AODA)

Effective Date: January 15, 2026

---

1. Statement of Commitment

National Bait Inc. is committed to treating all individuals in a way that allows them to maintain their dignity and independence. We believe in integration and equal opportunity and are committed to meeting the needs of persons with disabilities in a timely manner.

We will do so by preventing and removing barriers to accessibility and meeting the requirements of the Accessibility for Ontarians with Disabilities Act, 2005 (AODA) and its associated standards.

This policy applies to all employees, and representatives of National Bait Inc.

---

2. Purpose

This policy ensures that National Bait Inc. meets AODA requirements and provides:

- Accessible services for customers and visitors
- An inclusive, accessible workplace for all employees
- Equal opportunity for people with disabilities in employment, training, and career growth

---

3. Scope

This National Bait Inc. policy applies to:

- All employees, including seasonal and temporary staff
- Foreign workers hired under Labour Market Impact Assessment (LMIA)

- Customers, suppliers, and members of the public interacting with our business

---

4. Customer Service Standards

- Staff are trained to **interact respectfully with persons with disabilities**, including those with mobility, vision, hearing, or cognitive limitations.
- Service animals and support persons are **always welcome** on our premises.
- Employees will use **clear communication methods**, including speaking slowly, using simple language, and confirming understanding.
- Customers can request **information or services in accessible formats** (large print, audio, digital) and staff will provide them promptly.
- In the event of planned or unexpected disruption to facilities or services that persons with disabilities rely on, National Bait Inc. will provide prompt notice. The notice will include the reason for the disruption, its anticipated duration, and a description of **alternative facilities or services**, if available.

---

5. Information and Communications

National Bait Inc.:

- Ensures that information, notices, and communications are **accessible upon request**.
- Accessible formats include **large print, email, digital text, or verbal explanation**, depending on customer or employee preference.
- All public notices about accessibility or policy changes are **posted in accessible locations and on our website**.

Our website and web content will conform, where required, to the Web Content Accessibility Guidelines (WCAG) 2.0 Level AA in accordance with AODA requirements.

---

6. Employment Standards

National Bait Inc. is committed to fair and accessible employment practices.

- provides **accessible recruitment and hiring processes**, including accommodations during interviews and assessments.
- Employees requiring **workplace accommodations** due to disability will receive support in accordance with the Ontario Human Rights Code.
- Provide workplace accommodation and individualized accommodation plans where required.

---

7. Training

National Bait Inc. provides:

- All employees, seasonal staff and volunteers **receive mandatory AODA training** upon hiring, before beginning duties that require accessibility knowledge.
- Training is provided in **simple English**, with visual aids and role-play for foreign workers with English as a second language.
- Topics include:
    - AODA requirements and National Bait Inc.'s accessibility policies
    - Customer service for persons with disabilities
    - Workplace accommodations and emergency procedures
- **Training records** are maintained for each employee, including name, date, and trainer.

Training is provided as soon as practicable after hiring and when changes are made to accessibility policies.

---

8. Multi-Year Accessibility Plan

National Bait Inc. maintains a Multi-Year Accessibility Plan outlining our strategy to prevent and remove barriers and meet AODA requirements.

The plan is:

- Reviewed and updated at least once every five years
